

## **The redfox rules**

### **1. We are the kids organisation in Rebell.**

We build up our Redfox-Organisation. We meet regularly and we are active together. We learn, play and do sports together. We are active for our future, for a world in peace and freedom, where everyone has work and bread. We are active for friendship among the peoples, protection of the environment and against war and fascism. We stand side by side with the exploited and the oppressed in the world.

### **2. Together we are strong**

We as Redfoxes go through thick and thin. We stick close together and respect each other: Whether girl or boy, German or foreign kid. We respect and follow what we decided together. Friendship in competition is our slogan in sports and games.

### **3. A Redfox is always a role model**

We are open, honest and comradely. Everyone listens to each other and we learn from each other. We are courageous and modest. We help each other and the other kids in school.

### **4. We respect labour and the working people**

We as redfoxes help a lot. Anywhere we can help, we will, also at home. We want to finance our redfox activities ourselves.

### **5. We learn to use our own mind and we get fit**

We learn together how the world is functioning and how to change it. In Sport we learn skills, endurance and cohesion. We sing and dance, learn music instruments, play theatre, do scientific experiments and learn to handle technology. We stick up for good and free sports- and leisure-facilities and for a solid school education

### **6. Everyone is responsible for our kids organisation redfoxes**

We elect our leaders, our cashiers and our cash auditors ourselves. We finance ourselves. Every redfox pays 50 cent membership fee a month. We collect donations and earn our money.

### **7. Where today is one Redfox, tomorrow there will be ten!**

Anywhere we are, in schools, playgrounds, on the streets or in clubs we win new redfoxes. Our kids organisation redfoxes shall always grow bigger and stronger!

## **To become a member of Redfoxes, you need:**

- To accept the redfox rules
- Pay the membership fee regularly (50 cent per month)
- Have the parents signature
